GREETINGS FROM ABROAD!

★★★★★ Remember last month when I told you about all the traveling I had been doing recently? Well, I've traveled a lot more since I last spoke to you. Believe it or not, I'm in **London, England** right now! For the next two months, I'll be visiting the offices of *MARVEL COMICS, Limited* in England, and I'll be learning how they put comic books together here.

I'll bet you didn't even realize that **Marvel** published comics in England. These comics are a little different from the ones you're used to buying. First off, their comics are a lot larger in size than ours. They measure 8 1/4 inches wide by 11 inches high . . . while our comics only measure 6 1/2 inches wide by 10 1/4 inches high! And, since their comics are so much larger than ours, they only have 24 pages (including the covers), while our comics usually have 32 pages (without counting the covers).

Of course, the biggest difference is that their comics come out every week! That means you get a *brand new* **CARE BEARS** comic every week, instead of having to wait two months, like you do in America.

MARVEL UK is currently publishing six comics which come out every week, and they are . . . *CARE BEARS . . . GET ALONG GANG . . . THE TRANSFORMERS . . . SPIDER-MAN AND ZOIDS* (the Zoids are giant mechanical creatures who live on the planet Zoidstar in the 23rd century. A spaceship from Earth has crashed on the planet, and the survivors—a group of humans—are caught up in the endless war between the Red and Blue Zoids!) . . . *SECRET WARS* (based on the popular **Marvel** series . . . and *SINDY* (an action/adventure/fashion series which features our very own *MISTY* in every issue!)

Since these comics come out every week, the people in England have been producing a lot more material than we do! They have hundreds of CARE BEARS and TRANSFORMERS stories which you've never seen. . .until now!

SPECIAL ANNOUNCEMENT

★★★★★ Starting very soon, we'll be printing some of these stories in our special pocket-sized digest magazines! You'll be able to find the British *CARE BEARS* stories in **STAR COMICS MAGAZINE**, and the British *TRANSFORMERS* stories in **TRANSFORMERS COMICS MAGAZINE**. These are stories which have never been printed in America! Stories you can't find anywhere else . . . unless you come to England!

NEXT MONTH

★★★★★ I'll introduce you to a few of the people who make the comic books over here. Until then . . .

Thanks for being there!
